Child Safe Standards

PARENTS AND GUARDIANS GUIDE

The [Child Safe Framework or equivalent] sets out the responsibilities that all [Clubs and Participants Hawthorn Calisthenics (including parents)] have to keep our kids safe. It consists of:

- Hawthorn Calisthenics' Commitment Statement for Safeguarding Children and Young People (or equivalent)
- Hawthorn Calisthenics' Policy for Safeguarding Children & Young People (or equivalent); and
- Hawthorn Calisthenics' Code of Conduct for dealing with Children & Young People (or equivalent).

WHY YOUR CHILDREN'S SAFETY IS OUR PRIORITY:

1. We love Calisthenics. We also love your child/ren participating in Calisthenics with us and want them to keep participating. Yet we realise that they have to FEEL safe to enjoy Calisthenics and want to keep coming back.
2. All children have a right to feel safe, be involved and have a voice in decisions that affect them*.
3. Society has changed, and with it, higher standards of behaviour are now expected – of all of us. Sometimes, even though we have good intentions, others' *perception* of behaviour is different. So we want to help you to understand how we will work with you to protect your children.

WHAT WE'RE TRYING TO DO:

We're here to help. Victoria has legislative requirements and mandatory standards in place about child safety. We can't ignore those. But we want to make it as simple as possible for you, your children and all of Hawthorn Calisthenics' volunteers, coaches and members to keep children safe.

We've developed simple resources for you to explain how we keep children and young people safe in Calisthenics. This Guide also includes links to our other child safe resources that we hope are helpful for you to summarise and simplify the key commitments, messages and boundaries that we adhere to and practice in Calisthenics when they are part of our community.

SOME CHILD SAFETY GUIDANCE FOR PARENTS AND GUARDIANS:

You know your children best. Also, our schools now often teach their students about safety, boundaries with adults and that it's OK to speak up if they don't feel comfortable or safe. You can also help us to reinforce the key messages we have for children about child safety at Hawthorn Calisthenics just as in life.

The **three key messages** we have in our Child Safe "Teens Guide" are:

1. Calisthenics should be fun, safe and enjoyable.
2. You should never feel uncomfortable around others at Hawthorn Calisthenics particularly adults.
3. If you don't feel safe or comfortable, it's OK to speak up. We want you to **tell an adult that you trust** – whether that's your Mum or Dad, guardian, coach or another member of your club or family.

We know that children are more likely to speak up if they **feel valued** and are **listened to** in an **authentic** and **genuine** way. So please help us to **keep the conversations open with your children** about how they are feeling.

SOME CONVERSATION TIPS TO TALK ABOUT SAFETY WITH YOUR CHILDREN:

It's not always comfortable talking to children about how they are feeling in Calisthenics community or other environments. The delivery of conversations is just as important as the message or content itself. You're more likely to engage with children about tricky topics if the conversation is calm, non-judgmental and open. That is, you're listening carefully to them and open to hearing more – showing empathy and letting them know that they're doing the right thing by talking.

To open up a conversation with your child about safety at Hawthorn Calisthenics - first of all, choose the right time. Sometimes, you may get more information in casual interactions, such as when driving in the car or going for a walk together. You could try using an example that you have heard of with another child and whether they had seen or heard anything similar. For example, *"another parent at the club told me that they were worried about how the coach is talking to their child. Have you seen or heard anything similar?"*.

IF YOU NEED HELP:

If ever your child tells you that they are not happy, comfortable or safe at Hawthorn Calisthenics, **please tell Iolanda Coffa – College Principal or another trusted Coach or the Grievance Officer/MPIO**. Then we'll make sure that any issue raised is dealt with appropriately and in line with our Child Safe Framework.

If you reasonably believe[^] any child is in immediate danger of a significant nature, please call 000 to speak with police. You can also contact services such as Parent Helpline, NAPCAN, Lifeline, Kids Helpline and the Raising Children Network.
